**NOTICE OF PROPOSED RULE MAKING**

Adopted: August 6, 1997;

Released: August 15, 1997

Reply Comment Date: October 21, 1997

By the Chief, Allocations Branch:

1. The Commission has before it the petition for rule making filed by West Wind Broadcasting ("petitioner"), proposing the allotment of Channel 287A at Roscoe, South Dakota, as the community's first local aural transmission service. Petitioner states its intention to apply for the channel, if allotted.

2. In support of its proposal, petitioner states that Roscoe is located in Edmunds County, South Dakota (population 4,300),<sup>1</sup> and has a population of 362 persons.<sup>2</sup> Petitioner also states that the proposed allotment would create an outlet for local self-expression. Health and safety for the community would be increased due to having a local communication outlet for warning the Roscoe area of emergency conditions caused by severe weather or other health hazards.

3. We believe the proposal warrants consideration since the proposed allotment of Channel 287A at Roscoe, South Dakota, could provide the community with its first local aural transmission service. An engineering analysis has determined that Channel 287A can be allotted to Roscoe in compliance with the Commission's minimum distance separation requirements a city reference coordinates.<sup>3</sup>

<sup>1</sup>All population figures are taken from the 1990 U.S. Census.

<sup>2</sup>We note that Roscoe is listed in the 1995 Rand McNally Commercial Atlas as an incorporated community with a post office and a zip code.

<sup>3</sup>The coordinates for Channel 287A at Roscoe are North Latitude 45-27-00 and West Longitude 99-20-12.
